

Connecting the (Musical) Dots...

Summer 2010 WORKSHOPS

Learn to play & think more musically!

- These workshops are designed to take the musical information you already know, fill in some missing blanks and help you become a more well-rounded & functional musician.
- **Eight group workshops**...each **two hours** in length. Morning or Evening Sessions.
- Ideal for pianists, instrumentalists & vocalists...intermediate through advanced.

June 23rd **Chords**—*How to make them, see & use them to your advantage*

June 30th **Theory**—*How to use what you already know in the pieces you play*

July 7th **Lead Sheets**—*What are they & how to make music with them*

July 14th **Playing Musically**—*Going past the written notes*

July 21st **Practice Techniques**—*Working smarter, not harder*

July 28th **Memory Work**—*Tricks & tips*

Aug. 4th **Notation**—*Seeing the limitation of the notation*

Aug. 11th **Church Music**—*Hymn playing, plus how to play in a worship band*

Learn to think outside the box...
